RALLY DAY AT CHRISTIAN SUNDAY SCHOOL SEPT. 15

Preparations Being Made for Big Meeting on that Day—Regular Church Service Resumed.

The annual Rally Day in the First Christian bible school will be held next Sunday morning at 9:30 o'clock.

The pastor, Rev. R. E. Snodgrass, will have returned from his western trip Sunday and will conduct the regular services of the day. Vacation time being over for the church, it is expected an unusually large crowd will be in attendance. The program for the opening exercises of the Sunday school will consist of special numbers from the various departments of the Sunday school.

Under the supervision of G. B Roseberry, superintendent, who is also president of the Nodaway County Sunday School Association and with the assistance of the officers and teachers, a thoroughly modern Sunday school has been built up with a graded system which makes for efficiency in all departments. The attendance in the Sunday school has kept up well during the summer and there are indications for a larger and better school during the coming fiscal year which begins October 1. Promotion day will be held the last Sunday in September.

Mrs. John Awalt and daughters Lela Margaret and Mary Christine of Omaha, are visiting in Maryville this week with Mrs. Awalt's sister, Mrs. Henry Stapler.

LEWIS FUNERAL SERVICE AT FAMILY HOME TODAY

Is Conducted by the Rev. C. R. Green, Pastor of Harmony Church—Burial in Oak Hill.

Funeral service for Mrs. Amanda Lewis, who died yesterday morning, were held this afternoon at 2 o'clock at the family home on East Lawn avenue. The services were conducted by her pastor, Rev. C. R. Green, of the Harmony church. Burial was in Oak Hill cemetery. The pall bearers, who were old friends and neighbors, were A. Lawson, R. V. McKee, Ova Heflin, Elmer Porter, Leslie Griffey and Mark Heflin.

Mrs. Amanda Jdsephine Lewis, who has just entered into her eternal rest at her home on Lawn avenue, following many months of patient suffering, was born November 2, 1856, at Carthage, Ill. She with a large family of brothers and sisters, came with their parents to Missouri in 1869 and located on a farm northeast of Maryville. On April 16, 1886, she was married to Leslie K. Lewis. Her sister, Viola, was married on the same date to James R. Croy of this city, at the home of their parents, James P. and Sarah McDowell, near Maryville. With the exception of a year spent at Mountain Grove for the benefit of her health and a few years spent with Burt K. Lewis, her son, on their farm Mrs. Lewis had lived in Maryville since her husband's death.

In the early morning of September 1, 1920, she gently fell asleep, her work all done, her patient waiting for release from suffering ended. She was laid to rest in Oak Hill cemetery by the side of her husband, who preceded her into the Great Unknown about twenty-three years ago. Mrs. Lewis has lived a life worthy of emulation by all her friends and relatives. She was gentle, helpful, self-sacrificing, cheerful and uncomplaining. May her example be a benediction to those left, not to mourn but to rejoice at the gracious ending of a well spent life. One son, Burt K. Lewis of Maryville, survives her, besides a number of sisters and brothers. They are Mrs. Louella Phillips, Mrs. J. R. Croy, C. M. McDowell and T. M. McDowell of Maryville, C. C. McDowell of Graham, Mrs. R. L. Crabb of Darlington, Mrs. I. T. Parker of Gresham, Neb., Mrs. V. T. Green of LeRoy, Kan., and L. M. McDowell of Delta, Colorado.

Mrs. J. H. Thorp went to St. Joseph this morning for a week end visit with her daughter, Mrs. Charles Bowers of Elwood, Kansas.

License to marry was issued in St. Joseph yesterday to John Steiger and Miss Ida F. Frayar, both of Ravenwood.

COX STARTS ON WESTERN CAMPAIGN

SPEAKING ITINERARY WILL TAKE IN TWENTY-FOUR STATES.

SENDS "DOPE" BY MOORE

Will Take Governor's Evidence to Prove Charges to Senate Sub-Committee.

Chicago, Sept. 2.—The slush fund committee adjourned until Tuesday morning without hearing E. H. Moore, Governor Cox's pre-convention manager. Moore, in the lobby, declared he was ready to go on the witness stand revealing the full play of the Republican leaders to raise sixteen millions. He said Henry Blair was the Republican professional money raiser and backing the fund.

Senator Poindexter, the first witness in the slush fund probe today, declared $200,000 was the allotment for the Republican senatorial campaign. Senator Reed, a member of the committee, in questioning him, said the sum to be spent in thirty-two states is dangerously near the corrupt practices act which provides "$10,000 maximum for each senator under the law and your average is $6,250 in thirty-two states."

Poindexter denied knowledge of $15,000,000 fund, saying $5,000,000 would be a colossal abuse.

Columbus, Sept. 2.—Governor Cox is preparing to leave tonight on his western swing into twenty-four states. He is confident Edmund Moore can satisfy the senate slush fund committee.

Moore left Youngstown last night for Chicago as the personal representative of the Democratic presidential nominee, to be ready to present to the senate sub-committee investigating campaign expenditures evidence to back up the governor's charge that the Republican committee is collecting a campaign fund of $15,000,000.

Commenting upon the papers which the governor turned over to him yesterday, and those which had come to him direct, Mr. Moore declared that "if Treasurer Upham is telling the truth, there is an entirely separate fund and we are going to find it."

Mr. Moore declared that if the men to be called in the investigation, "deny or refuse to produce" evidence which he said would substantiate the governor's charges, he will present the evidence himself. He also declared that if these witnesses do not produce the evidence, he intends to call the matter to the attention of the department of justice.

"If the Republican party were indicted, I would stake my reputation as a lawyer that the leaders would be convicted by a Republican jury just the same as Newberry was convicted by a Republican jury in Michigan, Mr. Moore asserted.

Mr. Moore stated he expected evidence to substantiate the governor's charges to come from the "paid district representatives" of the national committee in charge of collection of funds in their respective districts and also from the "unpaid state chairmen." He declared they were in possession of the facts.

Commenting upon the investigation and its program, Mr. Moore asserted that charges have been made and denied, but that "the committee has not had the information to conduct a thorough cross-examination of Chairman Hays and others." He intimated that the material which he is taking to Chicago in the form of documents and otherwise will furnish this information. He said that he probably will insist that both Chairman Hays and Treasurer Upham be recalled for cross-examination.

Governor Cox is to speak first in Michigan, going west then to San Francisco and coming back stopping in Nebraska, Ohio, Missouri, Kansas and Oklahoma.
